

Mesh Node Radio II LiPo (MeshCore Firmware)

The **Mesh Node Radio** is a rugged personal companion node transceiver for mesh network connectivity, housing Heltec Automation's **WiFi LoRa Node V3** based on the Semtech® SX1262 LoRa® chip and factory pre-loaded with the latest **MeshCore firmware**. Interact via smartphone or Win/Mac/Linux PC using WiFi, Bluetooth LE, or USB (*USB-A/C cable included*). The **internal 1100 mAh LiPo** cell may be charged from many external 5V sources including phones or power banks (*not included*).

Features:

- **Radio.** Heltec Automation Wifi LoRa 32 V3 Node. Max TX 21±dBm, max RX sensitivity -134dBm@SF12/BW=125KHz. WiFi 802.11b/g/b, Bluetooth 5 (LE). 470~510Mhz and 863~928MHz.
- **Firmware.** Factory loaded with latest MeshCore firmware; trivial to re-flash to others.
- **Battery.** Internal factory-tested 1100 mAh LiPo cell.
- **Antenna.** Rigid factory-tested 915Mhz 1/4λ (SMA connection).
- **Case.** Rugged plastic with user buttons and cyan OLED display. Includes standard 1" webbing and clips.

Applications:

- Industrial sensor telemetry and equipment monitoring.
- Field reconnaissance and situational awareness.
- Off-grid team communications and GPS tracking.
- Search-and-rescue and emergency response.
- Agricultural and environmental monitoring.
- SCADA mesh extension and asset tracking.
- Wilderness safety and backcountry messaging.
- Event and festival staff coordination.

Availability:

- Production samples of SKU-VOSGES-MNC02-G0-MC are available from the Project Tarn [Sample Store](#).
- The SKU-VOSGES-MNC02-G0-MC design is available for licensing – exclusive or non-exclusive manufacturing and distribution licenses are available; please contact licensing@tarn.parts for more information.

Advisories: Licensing and distribution to countries, entities and individuals is subject to United States, United Kingdom, European Union, and Canadian regulation and export control. No specific technical or jurisdictional regulatory certifications or approvals are implied or warranted except those explicitly indicated alongside the availability of a specific retailer or distributor and for the specific jurisdiction(s) indicated. Unless otherwise indicated, samples obtained from the Tarn Sample Store are non-certified manufacturing/production commercial samples for evaluation and testing purposes only; consumer resale and re-export is strictly prohibited.
